

Tree and Plant Metaphors in the Bible
and Spiritual Sustainability

Christian Scientists are invited to explore this topic through the Scriptures
with beautiful nature slides that illustrate how prayer can heal and solve personal and world challenges.

David and Cindy Martin - Bible speakers, Naturalists, Environmental Planners

How tree and plant metaphors in the Bible and

MBE writings apply to:

Healing physical challenges

The Oneness of God, man, and His creation

Revelation's imagery of indestructible nature

Healing and restoration of environmental problems

Program includes inspirational music, videos, and PowerPoint slides tracing the unfoldment of Biblical truths

Saturday, February 11th, 2017

1pm – 3:30 pm
